10. Margaret McGregor introduced George and Liz Turner.

Most of us would remember the great job George and Liz did with recording and presenting their trip to Antarctica. They have recently completed a journey to South America and visited many interest locations during their vacation. On this journey they recorded many sights and visits to places of great historical significance and their anecdotes did educate and amuse us.

Thankyou by Doug Hayne

Doug thanked both Liz and George for their excellent presentation and they have lifted the bar of DVD presentation. We would all love to travel to South America after seeing this wonderful adventure. Doug then presented Liz and George with a bottle of wine each.

11. Our next meeting is on Monday 12 April 2010 back at The Ajani Centre. At this meeting, last year's Committee will handover the reigns to the new one and our Guest Speaker will be Percy Cooper on the funny side of superannuation.
