2. Doug's Talk Time

Our winter has been a real winter and how appropriate that David Brown the weatherman is our guest speaker today. The cold weather has not stopped us getting out and supporting our activities this winter. Jeff's presentation last month was marvelous. Pleasing to see members having a say on the resolution last month. Doug read the complete resolution as printed in the September newsletter. Be sure to register your guests when you arrive at the club meeting.
